

Dear Supporters,

Outstanding developments are afoot in Lake Oswego schools; developments made possible with your generous donations to the Lake Oswego Schools Foundation.

The number of LO students who are expected to graduate has improved from 88 to 97 percent over the past three years, and indicators show it could keep climbing with your support. Your donations enable RTI (Response to Intervention) coordinators in every school. These licensed teachers help ensure all students – beginning with those in the critical elementary years through the formative secondary grades – receive the instruction and support necessary to stay on a successful path.

Our community expects career and college readiness upon graduation. With your contributions to the Foundation, our students have more enrichment, elective and advanced placement courses. These offerings allow students to explore and pursue interests that shape their future, keeping the legacy of educational excellence alive in Lake Oswego.

The impact of your donations is significant. The contributions made by the donors listed in this annual report are funding the equivalent of 20 full-time teachers educating our students this year. That's enough teachers to fill an entire elementary school. Without your support, these teachers would not be in our classrooms.

We're always striving for better, and your continued support fuels the positive momentum in our community. Thank you for making an impact on every student in every school in Lake Oswego.

With much gratitude,

John Goerges, President

Why Lake Oswego schools rely on a foundation!

Lake Oswego Schools Foundation was founded to address Oregon's shift to apportioning more funds to lower-income school districts. Foundation donations help Lake Oswego overcome budget shortfalls and keep our schools first rate.

Since the passage of Measure 5 in 1990, education dollars are no longer controlled locally. Property taxes are sent to the state capital, which then redistributes funds to each student in the state. The funding is distributed using a weighted formula, which accounts for factors such as socio-economic needs and geographic limitations. As a result, Lake Oswego residents give more in taxes than the school district receives in educational funding. Specifically, Lake Oswego receives nearly \$1,000 less per student than the average district statewide.

Foundation donations serve a critical role in bridging the state funding gap by providing revenue solely to hire and retain teachers. For more than 30 years, donors have given more than \$28 million to the Foundation to protect the community's legacy of educational excellence.

Thank you for all your support. We couldn't do it without you!

Lake Oswego School District ranked #1 in Oregon and among the best in America!

OUR MISSION

We advance our community's commitment to excellence in education for students in the Lake Oswego School District.

OUR VISION

Our vision is a community that is united in providing an exceptional education for all Lake Oswego School District students, now and for future generations.

OUR VALUES

- 1 – Integrity: We're accountable, transparent, respectful and efficient
- 2 – Impartiality: We're an independent nonprofit that partners with the Lake Oswego School District
- 3 – Results-driven: We hold ourselves to the highest standards of performance to build upon our track record of success
- 4 – Commitment: We're a dedicated, hard working and forward thinking group of staff and volunteers
- 5 – Community Engagement: Our success is built upon positive, unifying relationships, partnerships and traditions within our community

Why Consider Giving An Endowment Gift

Donations made to the Lake Oswego Schools Foundation's endowment, which is a fund managed by Oregon Community Fund (OCF), are the most significant way to make a long-term investment in Lake Oswego's legacy of educational excellence. By leveraging OCF's stewardship and long-term investment program, the endowment fund will be maintained in perpetuity to provide a stable income for the Foundation in protecting and potentially expanding educational opportunities.

Donations to the endowment also support students immediately. OCF distributes yearly a percentage of the endowment fund's interest, making it the second largest contributor to the Foundation's annual campaign. Annual campaign contributions are used immediately to hire and retain highly qualified teachers in classrooms every year.

There are many ways to contribute to the endowment. Simply designate a one-time contribution or recurring donation to the endowment. For complex planned giving, the Foundation and its OCF management partner may provide advice and consultation. Please contact the Foundation to get started.

Company Matching
 More than 300 companies matched charitable contributions made by our donors. Visit the donation page on losfoundation.org and scroll down to see if your employer will match your donation.

Stock Giving
 Donors who give stock receive a tax deduction equal to the stock's market value without paying capital gains tax. To give, contact the Foundation for an authorization form.
