# Graduation Joy!

## *Congratulations to the Lake Oswego and Lakeridge High School Class of 2026*

*Staff Reports*

**I**t takes a village to raise a child, and Lake Oswego has spent years helping shape the Class of 2026.

This class has experienced challenges, changes and milestones on its journey from kindergarten to graduation. Through it all, students have been supported by families, teachers, coaches, mentors and neighbors who helped prepare them for what comes next.

As they turn the page to a new chapter, many will continue their education, begin careers, serve their communities or explore new opportunities.

Wherever their paths lead, Lake Oswego will always be proud to call them its own.

Congratulations, Class of 2026!

Graduates move their tassel from the right to the left-side of their cap to signify completion of their time at Lakeridge High School during graduation.

# Once a Pacer, Always a Pacer

## Congratulations to the Lakeridge High School Class of 2026.

The Class of 2026 has made a lasting impact on Lakeridge High School through your leadership, resilience, school spirit, creativity, and commitment to one another. You have represented our school well in the classroom, in athletics and activities, on the stage, in the community, and through countless everyday interactions that have helped shape our school's culture.

While graduation marks the end of your high school experience, it also represents the beginning of a new chapter filled with opportunities, challenges, and growth. As you move forward, there will be moments of uncertainty and moments where plans change. There will also be opportunities you never expected and experiences that help shape who you become. Through all of it, remember the importance of staying true to your values, treating people with kindness and respect, and continuing to learn from both success and failure.

I also encourage you to slow down at times and appreciate the journey ahead. Life moves quickly, and it can be easy to focus only on the next goal or milestone. Take time to enjoy the experiences, celebrate the small wins, and recognize how far you have already come. The memories, friendships, lessons, and experiences from your time at Lakeridge will always be a part of who you are.

As your principal, I want you to know how proud we are of this graduating class. Even in my short time at LHS, I have seen firsthand the talent, character, and potential that exists within this group of students. You have given our school much to be proud of, and I am confident that each of you will continue to make a positive impact wherever life takes you next.

Thank you for the energy, pride, and legacy you leave behind at Lakeridge High School. We are excited to watch what comes next for each of you.

Congratulations, Class of 2026. Once a Pacer, always a Pacer.

**Kevin Mills**  
Principal
