

In a Class of Our Own

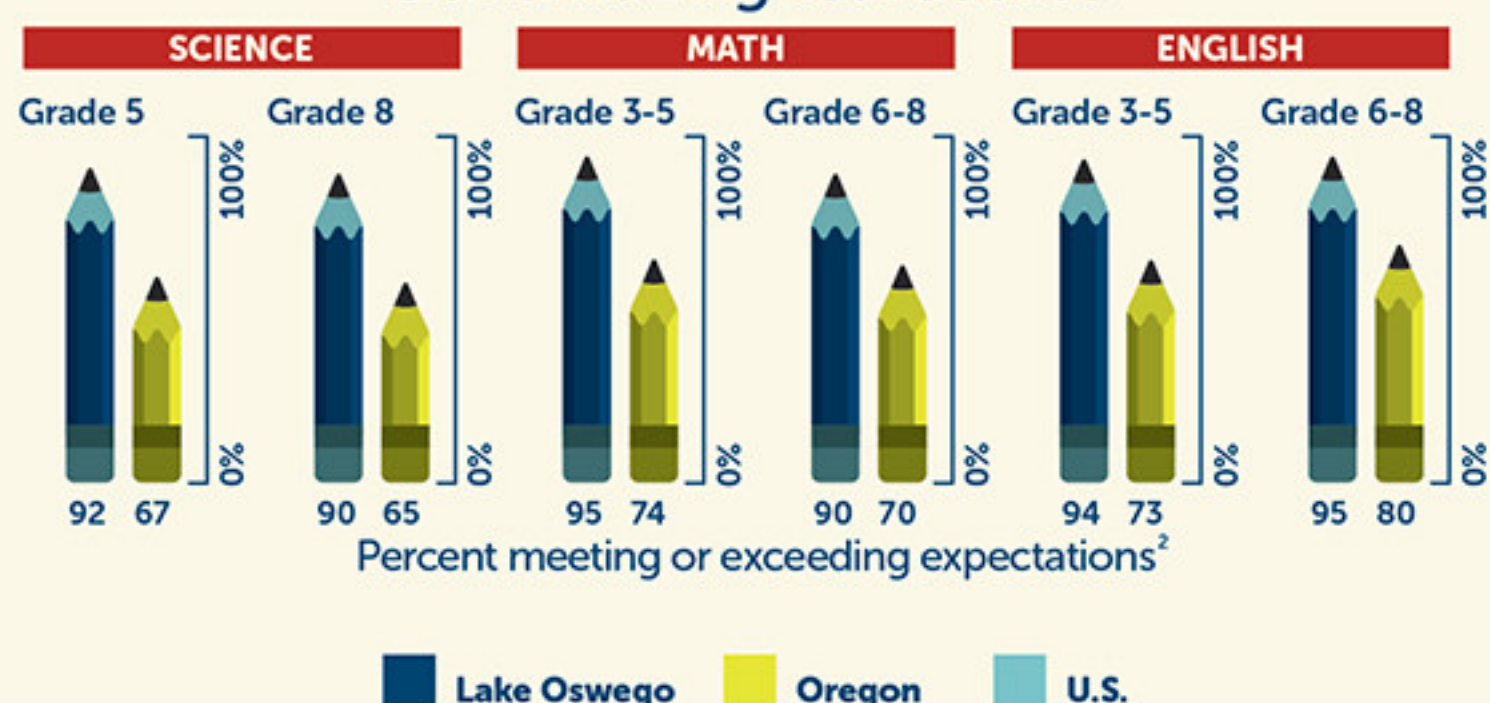

Lake Oswego School District ranked #1 in the country

In August 2015, MSNBC published a StartClass report based on Department of Education data that named Lake Oswego the #1 School District in the U.S.¹ As Lake Oswegoans, we couldn't be prouder of our schools.

Our amazing test scores

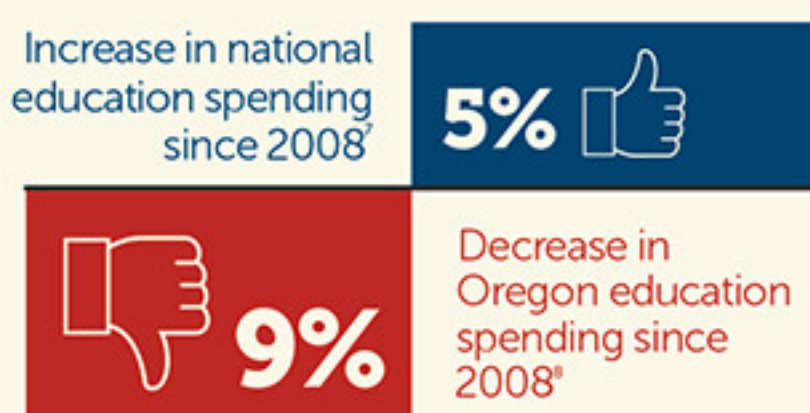

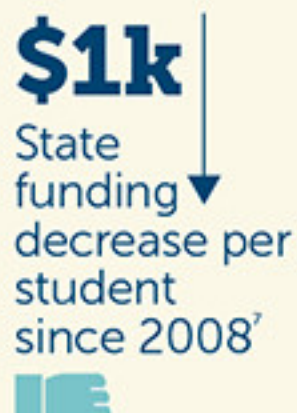

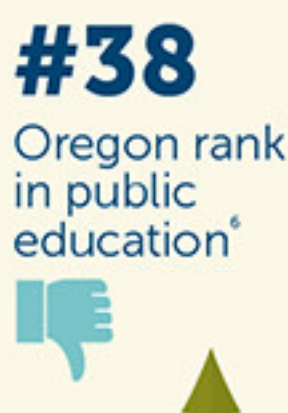

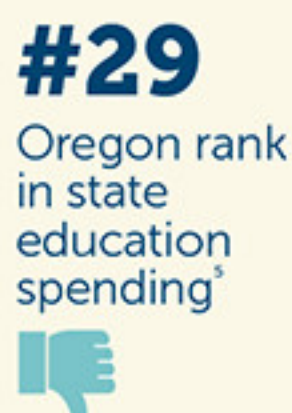

Succeeding even when the odds are against us

Budget cuts have been a fact of life for Lake Oswego schools since Measure 5 redistributed Oregon state education funding in 1990. In recent years, Oregon's shrinking education budget has challenged us even more.

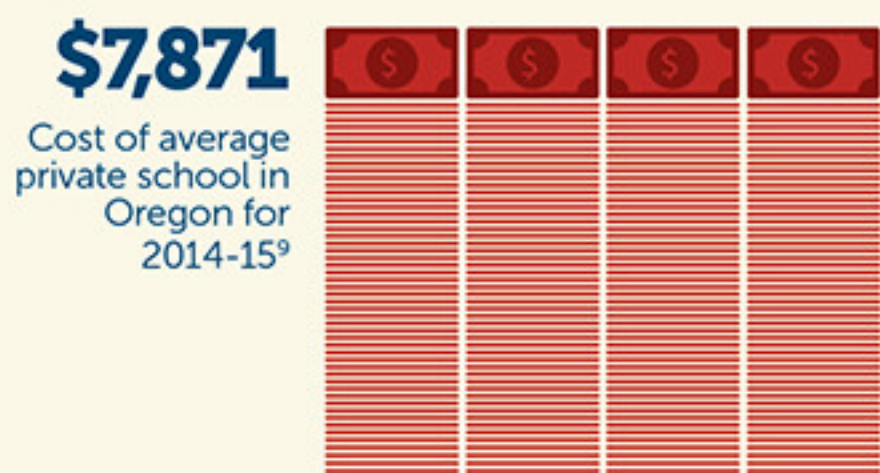

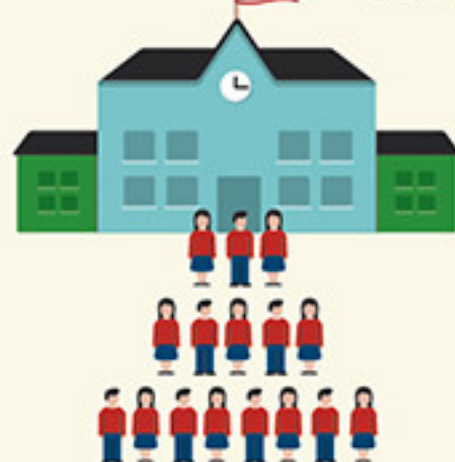

The educational climate in Oregon

Your support makes all the difference!

Donations to the Lake Oswego Schools Foundation go directly to hiring and retaining teachers. Every dollar you give translates into more electives, more individualized attention and more chances for kids to succeed.

Help us keep Lake Oswego schools on the top of the curve.
