Lake Oswego Schools
Foundation

To Our Supporters, Volunteers, and Community Members,

As we look back at the 2024–25 fiscal year, I am deeply grateful to share that it has been a remarkable year for the Lake Oswego Schools Foundation - made possible entirely by you. Your generosity, enthusiasm, and belief in the power of education have fueled one of our strongest fundraising years yet. Thank you for showing up for our students in such a meaningful way.

We are also proud to share that donor giving continues to grow—not just in participation but in generosity. More families are joining the Foundation as contributors, and existing donors are choosing to increase their support. Every gift, regardless of size, strengthens the instructional experience for our students and helps ensure that Lake Oswego classrooms remain vibrant, well-supported places to learn.

We want to acknowledge the incredible energy from our elementary families around the PE initiative this year. While we ultimately did not reach the funding goal, the experience revealed something meaningful about our community. Families were enthusiastic about PE, but many also felt a strong desire to support a broader range of programs—STEM, music, and reading among them. Their giving reflected the diverse priorities they hold for their children’s education, and we heard from many parents who wrestled with wanting to fund PE and still contribute to the programs their students rely on every day.

What stood out most was not the outcome, but the spirit it generated. The PE initiative brought forward an unmistakable sense of community—parents talking with each other, asking thoughtful questions, and engaging more deeply with the role the Foundation plays in supporting teachers and enriching the school experience. The shared enthusiasm, even with different priorities, is exactly what Lake Oswego is known for: families who care deeply about education and show up in ways that strengthen our schools.

Thank you for standing with us. Your partnership is the foundation of our mission, and together we are ensuring that Lake Oswego continues to offer the kind of education every student deserves—challenging, inspiring, and full of possibility.

Sincerely,

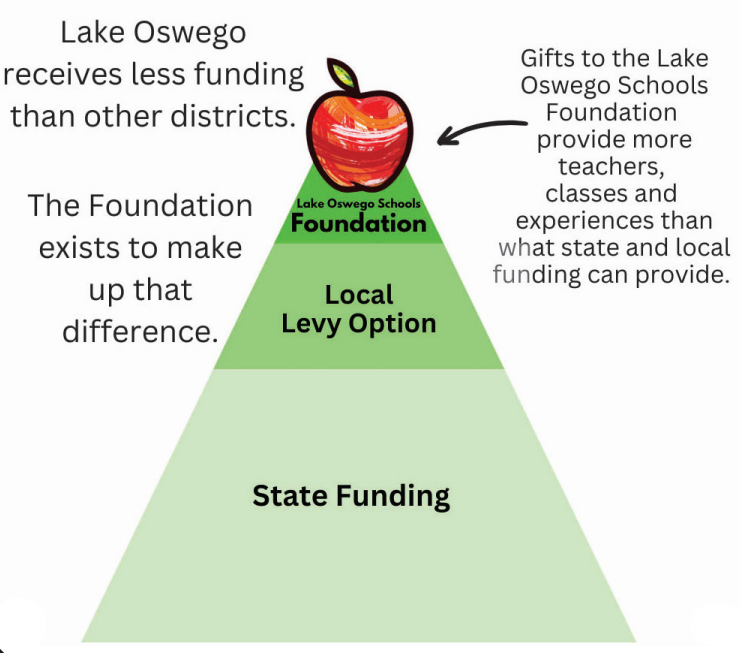

Laura Coyle

Why Consider Giving An Endowment Gift

Giving a gift to the endowment is one of the greatest investments you can make in our community.

Endowment gifts provide more stable funding to accelerate our most effective educational opportunities today and in the future.

The Foundation’s endowment fund is currently over \$2.6 million, plus an additional \$750,000 in known bequests. Disbursements from the endowment make it the second largest contributor to the annual campaign.

Lake Oswego Schools Foundation’s endowment funds are held at Oregon Community Foundation (OCF), one of the premier community foundations in the world. By leveraging OCF’s stewardship and long-term investment program, the endowment is maintained in perpetuity to provide stable income for the Foundation in protecting and accelerating educational excellence in our community.
