

# 2023-2024 Annual Report & Honor Roll of Contributors

# Lake Oswego Schools Foundation

### To Our Supporters, Volunteers, and Community Members,

Thank you for your incredible dedication to our students and schools and your commitment to the Lake Oswego Schools Foundation (LOSF). We strive to support an excellent education in many ways, and we could not do it without YOU—our wonderful community, volunteers, and generous donors.

For nearly 40 years, LOSF has raised money each school year to sustain and enrich the Lake Oswego School District's (LOSD) excellent educational program beyond what public funding provides. The 2023-24 school year proved to be another positive one, taking us one step further towards establishing and creating a new normal in today's changed landscape.

This year's giving metrics are impressive - we saw an increase in new families joining our donor community, strong support from local business giving and corporate matching, and additional members in the Leadership Circle. All of this, combined with contributions from donor-advised funds and appreciated stock, allowed for an impressive grant of over \$1 million again this year! Collectively, your donations continued to provide LOSF-funded teachers and staff for Music teachers, extra reading support, teachers in Performing and Visual Arts, technology and science, benefitting 6,820 K-12 students in eleven LOSD schools.

Your 2023-2024 donations have had a direct impact throughout this school year and students' ongoing experiences with essential programs such as Music, Reading, Art, and many electives such as Intro to AI, Gardening, Architecture, are a reminder of why your donation matters. The recognition of all eleven of our schools as Excellent and our continued recognition as the "Best District in the State" is only possible because of your support.

On behalf of the LOSF staff members, board members, and countless community volunteers, we appreciate every donation at every level. We value you as partners in ensuring all LOSD students receive an exceptional education, preparing them to achieve their highest potential.

With gratitude,

*Laura Coyle*

### Impact of the Foundation

Lake Oswego receives less funding than other districts.

The Foundation exists to make up that difference.

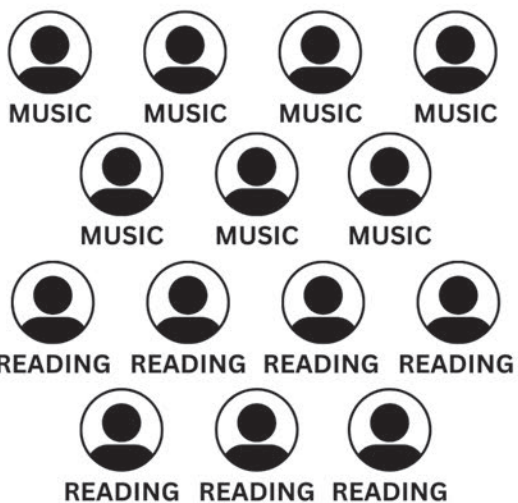

Gifts to the Lake Oswego Schools Foundation provide more teachers, classes and experiences than what state and local funding can provide.

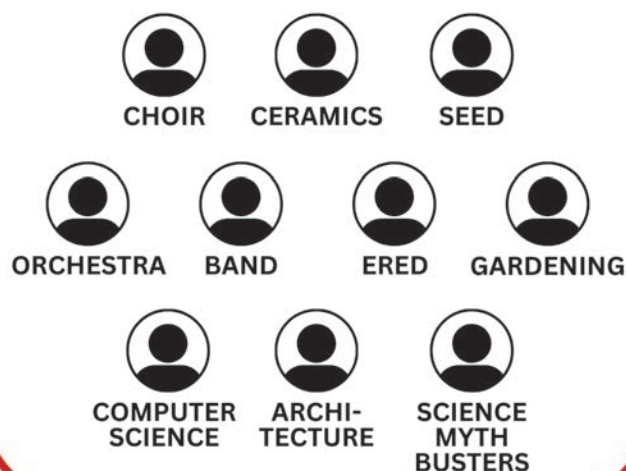

**Your gifts fund more teachers than otherwise possible with state funding alone.**

## #1 District in Oregon and among the best in the nation!

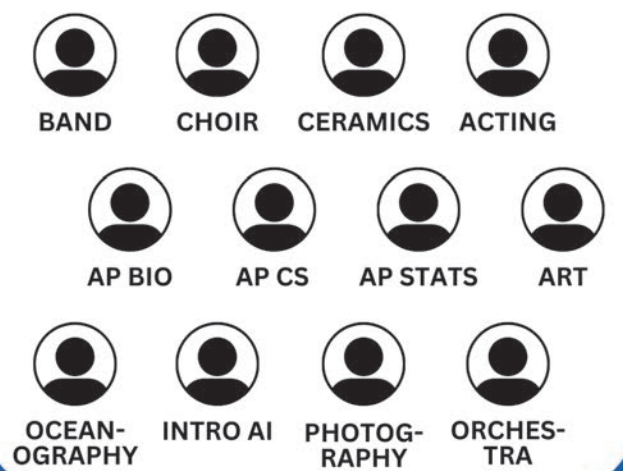

### Elementary Staff (K-5) Funded by the Foundation

### Middle School Staff (6-8) Funded by the Foundation

### High School Staff Funded by the Foundation

**Why Consider Giving An Endowment Gift**

Giving a gift to the endowment is one of the greatest investments you can make in our community.

Endowment gifts provide more stable funding to accelerate our most effective educational opportunities today and in the future.

The Foundation's endowment fund is currently over \$2.4 million, plus an additional \$750,000 in known bequests. Disbursements from the endowment make it the second largest contributor to the annual campaign.

Lake Oswego Schools Foundation's endowment funds are held at Oregon Community Foundation (OCF), one of the premier community foundations in the world. By leveraging OCF's stewardship and long-term investment program, the endowment is maintained in perpetuity to provide stable income for the Foundation in protecting and accelerating educational excellence in our community.
