Dear Foundation Supporters,

On behalf of students and our community, we are extending a heartfelt thank you for your contributions to the Lake Oswego Schools Foundation. Your Foundation donations go solely to hiring and retaining teachers who provide richer educational experiences and more challenging opportunities for students. Because of your Foundation support, significantly more Lake Oswego students are prepared for college and careers. That is evidenced by climbing graduation rates and academic rigor measured through standard test scores that far exceed the state and national averages. Our public schools are consistently ranked top in Oregon, and Lake Oswego is one of the most sought after communities for families and businesses. Thank you for your spirit of giving. Every gift makes a difference, every gift is appreciated.

With much gratitude,

Kirk Olsen,
Board President

Foundational Impact

Lake Oswego Schools Foundation provides a way for parents, community residents and business owners to ensure Lake Oswego’s legacy of educational excellence by raising money for teaching positions beyond what is possible with declining state educational funds.

Foundation donations provide richer student experiences and more challenging opportunities for thriving in school and in life including:

- 100% of elementary students have PE and music taught by highly qualified teachers, which is a rarity in Oregon and neighboring states.
- Academic support teachers working at every school to benefit all students by helping those who are at risk of failing and those who are taking a risk with a more challenging class. Their effectiveness is credited with the dramatic rise in graduation rates, from 88 to 95 percent, in the last four years.
- More elective choices and sections for junior high and high school students to explore and pursue interests that keep them engaged through graduation and beyond. Our high school students have more than double the elective and advanced placement opportunities than our surrounding districts.

The commitment to Lake Oswego’s legacy of educational excellence attracts families and businesses to our thriving community.

Every gift makes a difference, every gift is appreciated. Thank you!

Donations fund the full-time equivalent of 20 teaching positions. That’s two teachers at every school in the district, elementary, junior high and high school.

Why Consider Giving an Endowment Gift
Giving a gift to the endowment is one of the greatest invest-
ments you can make in your community.
Endowment gifts provide more stable funding to accelerate our
most effective educational opportunities today and in the future.
The Foundation’s endowment fund is currently at $1 million,
plus an additional $750,000 in known bequests.
Disbursements from the endowment make it the second larg-
endowment is maintained in perpetuity to provide stable
OCF’s stewardship and long-term investment program, the
future.
