Your donations to the Lake Oswego Schools Foundation put more teachers in our classrooms. They fund music and reading instruction for our elementary school students, and unmatched electives in science, technology and the arts for our middle and high school students. These programs put local kids on the right track for success in post-secondary education and high-growth careers.

Please make a generous donation today at LOSFoundation.org  facebook.com/LOSFoundation  |  (503) 534-2106

Teachers funded by your donations to the Lake Oswego Schools Foundation
