Dear Foundation Supporters,

On behalf of students and our community, we thank you for your generous donations that benefit your child, and every student in LOSD’s six elementary, two middle and two high schools. Your donations enabled LOSF to contribute $1.145 million to LOSD and $210,314 in the Endowment in the 2018-19 school year, funding music and reading teachers at each elementary and science, technology, and art electives at each middle and high school.

We are awed by the talented students in LOSD and by your commitment to supporting excellent schools. This report highlights how your generosity has positively impacted the educational experience of every child in LOSD. We look forward to partnering with you again in the 2019-2020 school year. Thank you for your spirit of giving. Every donation makes a difference, every student benefits.

With much gratitude,

Bink Greene
Board President

Why Consider Giving An Endowment Gift

Giving a gift to the endowment is one of the greatest investments you can make in our community.

Endowment gifts provide more stable funding to accelerate our most effective educational opportunities today and in the future.

The Foundation’s endowment fund is currently over $1 million, plan additional $750,000 in new bequests. Disbursements from the endowment make it the second largest contributor to the annual campaign.

Lake Oswego Schools Foundation's endowment funds are held at Oregon Community Foundation (OCF), one of the premier community foundations in the world. By leveraging OCF’s stewardship and long-term investment program, the endowment is maintained in perpetuity to provide stable income for the Foundation in protecting and accelerating educational excellence in our community.
Every year, more than 7,000 students -- kindergartners through 12 graders -- benefit from our community’s contributions to the Foundation.
