To Our Foundation Volunteers and Supporters,

On behalf of the Lake Oswego Schools Foundation Board of Directors and staff, thank you for your generous donations which benefited every student in LOSD’s six elementary, two middle, and two high schools this past year. Your donations enabled the Foundation to contribute $1.41 million to LOSD for the 2019-20 school year, funding teachers in Music, Reading Support, Science, Technology, and the Arts.

As we look back on the 2019-20 school year, we remember the “regular”, extraordinary learning that engaged LOSD students for the fall and winter, followed by the difficult and uncertain spring. Spring 2020 brought new distance learning requirements, along with varied health, logistical, and financial concerns for families in our district. We are grateful for the tremendous effort that our Foundation funded teachers and staff put forth to educate our students in new ways throughout the spring.

In this annual report, we highlight how your generosity has positively impacted the educational experience of every student in our district. Whether it was music and extra reading instruction for grades K-5, the wide range of electives offered in the middle and high schools, Foundation funded teachers enriched our students’ experiences. These teachers and the programs they taught made our students’ education extraordinary and demonstrated your commitment to our kids.

In these uncertain times, the pandemic continues to affect the 2020-21 school year. Your support to the Foundation remains vital to funding an excellent education for our students. We look forward to partnering with you again for the 2020-21 school year. Thank you for making us a part of your charitable giving, we could not do what we do without the unwavering support from parents and community members like you.

With gratitude,

Visit us at LOSFoundation.org to find out more about the Foundation.
